#### PRECAUTIONARY STATEMENTS

Hazards to Human and Domestic Animals

Avoid contact with eyes. Harmful if swallowed. Avoid skin contact. Causes eye and skin irritations. In case of contact, wash the affected areas with water immediately and continue washing for fifteen minutes. Call a doctor if irritation persists.

#### **GENERAL INFORMATION**

FOME-KIL is an anti-foaming agent used as an additive to control the foaming of various agricultural chemicals.

This product is especially beneficial in controlling the foaming action of wetting agents, herbicides and pesticides in water base solutions and emulsions.

#### DIRECTIONS FOR USE

This product can be applied directly to spray solutions in a pre-mix application or added while a tank is being filled to control foam formation or to control existing foam.

Use 1 ounce of this product per 100 gallons of solution. It may be necessary to adjust the amount used according to individual conditions. Agitation will aid dispersion.

In situations where foam develops after the fluid level drops, stop agitation and add the recommended dosage of this product. Increase or decrease rate until desired foam control is obtained.

### STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage and disposal. **PRODUCT STORAGE:** Store product in original container only. Avoid freezing or extreme temperatures. Keep out of reach of children and animals.

CONTAINER DISPOSAL: Triple rinse (or equivalent) and add rinsate to spray tank. Then offer for recycling, reconditioning or puncture and dispose in a sanitary landfill or incineration, or, if allowed by State and Local authorities, by burning. If burned, stay out of smoke.

#### WARRANTY—CONDITIONS OF SALE

OUR RECOMMENDATIONS FOR USE of this product are based upon tests believed reliable. Follow directions carefully. Timing and method of application, weather and crop conditions, mixtures with other chemicals not specifically recommended and other influencing factors in the use of this product are beyond the control of the Seller. Buyer assumes all risks of use, storage and handling of this material not in strict accordance with directions given herewith.

In no case shall the Manufacturer or seller be liable for consequential, special or indirect damages resulting from the use of handling of this product when such use and/or handling is not in strict accordance with directions given herewith. The foregoing is a condition of sale by the Seller and is accepted as such by the Buyer.
